Do not leave items when station is not manned. You could be ticketed for littering.

Wood County Transfer Station

Service provided by Wood County to take items to the Landfill in Mount Vernon Texas.

Where Can I Take My materials other than brush, pressure treated lumber, etc...?

You can place leaves, pressure treated wood, steel, aluminum, iron and other metal items in your BROWN waste container which is picked up weekly in front of your home. *The reason is that this material goes to a landfill and not a burn site.*

YOU CAN ALSO TAKE MATERIALS TO THIS LOCATION:

Hawkins Wood County Transfer Station:

Location: County Road 3940 north of Highway 14. Approx. 2 miles from HLR gate
- **south** on 2869 - **right** at the Chevron (3920) **left** on 3940 for ½ mile

Hours: Tues-Fri 1pm - 6pm Saturday 9am - 6pm.

Fee: Based on item(s) and volume. **Phone:** 903-769-3645

Accepts - most anything except hazardous items.

Aluminum Drink Cans

Take your bagged ALUMINUM DRINK CANS to the Recycle Bin located right across the parking lot from the Fire Hall. **This is a fund raiser** and is GREAT way to support our Holly Lake Volunteer Fire Department.
